

# **Rules and Regulations of**

## **SLIIT Library Learning Commons (LLC).**

### **Preambles**

The Library Learning Commons provides students with an upgraded, comfortable, and focused study environment for academic pursuits. Therefore, students are expected to adhere to specific rules and regulations when utilizing SLIIT library resources and facilities. This ensures the maintenance of a suitable study environment for every scholar preserving the academic atmosphere of the library.

Students who violate the rules and regulations may be immediately requested to vacate the premises temporarily, and such temporary suspension from library usage may be extended for a certain period. Library staff have the authority to temporarily expel individuals who violate the rules and regulations.

All library users must agree to the following policies before accessing the library resources.

- SLIIT students' codes of conduct. (SLIIT Rule Book)
- SLIIT UNI ethical codes of behavior.
- Library rules and regulations.

## 1. The following behaviors are expected from students to minimize disturbance to each other.

- 1.1 Always maintaining a quiet and focused atmosphere in the Library Learning Commons.
- 1.2 Avoiding unwanted communication or contact with peers.
- 1.3 Keeping mobile phones on silent mode while in the library and refraining from making calls within the library.
- 1.4 Refraining from aggressive disruptive conduct. \* (refer Annexure 1)
- 1.5 Reserving seats for peers.
- 1.6 Refraining from leaving belongings such as laptops unattended.

Students should refrain from leaving belongings, such as laptops, unattended. The campus security unit will make regular visits to the library. If they find unattended laptops, they will take them to the security office and notify student affairs.

## 2. The following behaviors are expected from students to enhance smooth operation and minimize damage to library resources.

- 2.1 Obeying the directions of the library staff.
- 2.2 Refraining from verbal or physical abuse, intimidation, stalking, or harassing staff or other users.
- 2.3 Refraining from changing the library furniture layout.
- 2.4 Using library furniture with care to avoid damages.
- 2.5 Carrying away personal belongings when leaving to maintain cleanliness.
- 2.6 Carrying only the allowed personal items such as small purses, pencil cases, water bottles, laptops, writing books, and papers into the library.
- 2.7 Strictly refraining from consuming food and soft drinks within the library.

### 3. Behaviors that endanger or threaten others are prohibited, including.

- 3.1 Threatening users either verbally or with potential weapons.
- 3.2 Obstructing stairways, entrances, or exits.
- 3.3 Entering non-public areas of the library.
- 3.4 Unauthorized use of library staff equipment.
- 3.5 Opening emergency exits or engaging emergency alarms when there is no emergency.
- 3.6 Bringing animals into the library.

### 4. Rules for using LLC Discussion Room/ Collaborative space / Research Commons / Makerspace Etc.

#### 4.1 Discussion Room Rules

- 1. **Operating Hours:** The discussion rooms are accessible strictly from 9:00 a.m. to 5:00 p.m.
- 2. **Booking Duration:** Each booking allows a maximum duration of 2 hours.
- 3. **Minimum Occupancy:** Bookings require a minimum of 5-8 students to be valid.
- 4. **Behaviour Expectations:** Maintain respectful and considerate behaviour while inside the room.
- 5. **Access Control:** Do not allow other students to enter the room you have reserved.
- 6. **Responsibility and Damages:** You are accountable for the room during your booking period. Any damage to the property will result in a penalty. The penalty will be the value of the damaged item plus an additional 50% of the total value, following a formal inquiry.

## **4.2 Makerspace Rules**

1. The purpose of initiating an LLC makerspace is to provide students with opportunities to engage in mind-relaxing games.
2. Students are strictly advised not to bring any other gaming items or engage in activities beyond the provided games at the makerspace, as the LLC has selected these games after a thorough review of scientific literature.

## **4.3 Conference room/ Collaborative space / Research Commons**

1. Students are not permitted to reserve the conference room individually. If they wish to conduct sessions in this space, a senior academic member must grant permission. A staff member or a student nominated by the staff representative should take responsibility for the physical and digital resources throughout the entire duration.
2. The Collaborative Space can be reserved by students with the approval of an Academic staff member or with the permission of the Senior Librarian.
3. The Research Commons space is exclusively designated for MPhil and PhD students, as well as senior academic members. It is not available to undergraduate students under any circumstances.

## **5. Notices and Monitoring**

- 5.1 Students are expected to check the virtual notice board regularly for updates.
- 5.2 CCTV cameras monitor both library floors, inappropriate behavior results in immediate action.
- 5.3 After the library closes for the day, it will not be opened for students to retrieve forgotten belongings until it officially reopens the next day.

## 6. Actions against the violation of library rules:

**Step #1:** Initial warning by the library staff.

**Step #2:** Secondary warning and reporting to the senior librarian.

**Step #3:** Requesting the individual to leave the library for the rest of the day.

**Step #4:** If the user refuses to comply with the above actions, seeking assistance from security personnel to control the situation.

**Step #5:** After three warnings, the senior librarian has the authority to suspend students from using library facilities for one month.

**Step #6:** If the situation escalates further, filing a written report to the campus disciplinary committee against the student.
