

Notice to all students

Amendments to the Academic Progression – Applicable from 01.01.2027 onwards for all students (Undergraduate and Postgraduate)

1. Minimum threshold for a pass mark of a module will be as follows;

1.1. Modules with both CA and Final Examination components shall require to have a minimum 50% pass mark for each of the components and an overall pass mark of minimum 50% to be awarded a pass grade for that respective module.

1.2 Modules that are with 100% CA components (without any final examinations) shall require a minimum overall pass mark of 50% to be awarded a pass grade for that respective module.

1.3 Modules with 100% final examination (without CA components) shall require an overall pass mark of 50% or more to be awarded a pass grade for that respective module.

2. Continuous Assessments (from 2027 onwards)

2.1 Validity period of the overall Continuous Assessment Component

Students in an undergraduate degree pathway will be allowed to carry forward a successfully passed overall CA for the maximum duration of study, equivalent to twice the natural duration of the program inclusive of postponed semesters.

Students in a postgraduate program pathway will not have the overall CA carry forward option.

2.2 The carried-forward passed CA mark shall be made available for multiple attempts (subject to a fee) throughout the maximum duration of study. Failed CA marks will not be carried forward and standard module reattempt rules will be applicable.

2.3 Provisional CA marks are to be made available to the students two weeks prior to Final Examinations to validate pass mark of the overall CA, in order to be eligible to sit for Final Examination.

3. Incomplete / IC status of a module (from 2027 onwards)

3.1 Faculties shall manage the IC statuses of overall CA components, and IC statuses shall not be granted to subcomponents within the overall CA components.

3.2 A student who attempted/ was granted a mid-repeat or a makeup assessment, will be awarded a capped grade, reflecting a maximum of 50% from the base mark of the assessment.

3.3 Students who fail the overall CA component (due to applicable pass marks/ percentages) the final exam IC status shall be ignored, and the student shall be issued an overall all fail grade based on the minimum pass mark threshold.

3.4 Students failing the overall CA, will not be required to sit for the final examination and will be issued an overall failed grade. The student must attempt the full module at the next available attempt.

2.4 Academic Progression (from 2027 onwards)

Restrictions related to progression criteria will be based on the number of trailing modules.

4.1 Students with regular semester registration, the number of modules that can be repeated is to be increased to 4 modules.

4.2 Academic Year based progression criteria to be amended as

- a. Progression from Year 1 to Year 2 is NOT allowed with more than 4 trailing modules (including IC modules) in Year 1.
- b. To progress to Year 3, a student should NOT carry more than 4 incomplete modules (including IC modules) in Year 1 and Year 2.
- c. Progression to Year 4 is allowed for students who have completed all the modules of Year 1 and have not more than 4 trailing modules (including IC modules) in Year 2 and Year 3.

4.3 Semester registration will be made available based on provisional results with a clause on automatic or consulted deregistration when the progression criteria are not met.

2.5 Changes to the grading scheme (from 2027 onwards)

2.5.1 Pass marks for both the overall Continuous Assessment and the Final Examination components shall be 50% each, across all years and applicable to all SLIIT undergraduate and postgraduate programs (refer 1.) and therefore the SLIIT Grading system will be amended as follows:

Letter grade	Marks %	GPA
A+	90-100	4.0
A	80-89	4.0
A-	75-79	3.7
B+	70-74	3.3
B	65-69	3.0
B-	60-64	2.7
C+	55-59	2.3
C	50 – 54	2.0
C-	40 – 49 (Fail grade)	1.7
D	20 – 39	1.2
E	0-19	0.0
